

POULTRY & ANIMAL BUSINESS UNIT

www.kanhaglobalexports.com

Company was founded in 2018 located at Ahmedabad western part of INDIA. It was founded by two young brothers Mr. Piyush & Mr. Jaymin by interest to expand business globally. We are dealing in Animal feeds Supplements Basmati rice, Spices, Fruits & Vegetables In the starting phase of a company doing exportation a small scale to provide quality products, cost effectively on timely delivery with complete client satisfaction. After that we expanded our business on a large scale to provide better quality products

Kanha Global Exports is reputed & reliable Merchant Exporter, established and backed by a 3rd generation business house. We believe that business grows on faith & trust, along with commitment & passion. We export products with a complete check on Quality, Vendor Scrutinization and Traceability We offer products/produce to our clients, with a complete check on all parameters of product specifications. Our experienced team is equipped to source the best products at the best price in the best timelines.

As Merchant exporters, if you are a manufacturer of export quality products, we help you market your products across the globe. We can help you spread your product/brand across various geographies, by being your representative in various countries, where there is demand of your products. We work with our suppliers as "Partners in Progress" and help them scale up their businesses globally.

We value planet as well as profits; we have evolved to protect the environment responsible code of conduct that provides the foundation for the way we do business and to deliver cost-effective products with quality on par with international standards. At a matter of fact, quality is our motto and will be our prior and common ingredient of all our products. We always focus on serving our customers with quality and satisfaction in the most economical way..
